

Montauk Project Victims Speaks Out: Greys, Reptilians, Time Travel & Mind Control Experiments

By [Eve Frances Lorgen](#), M.A.

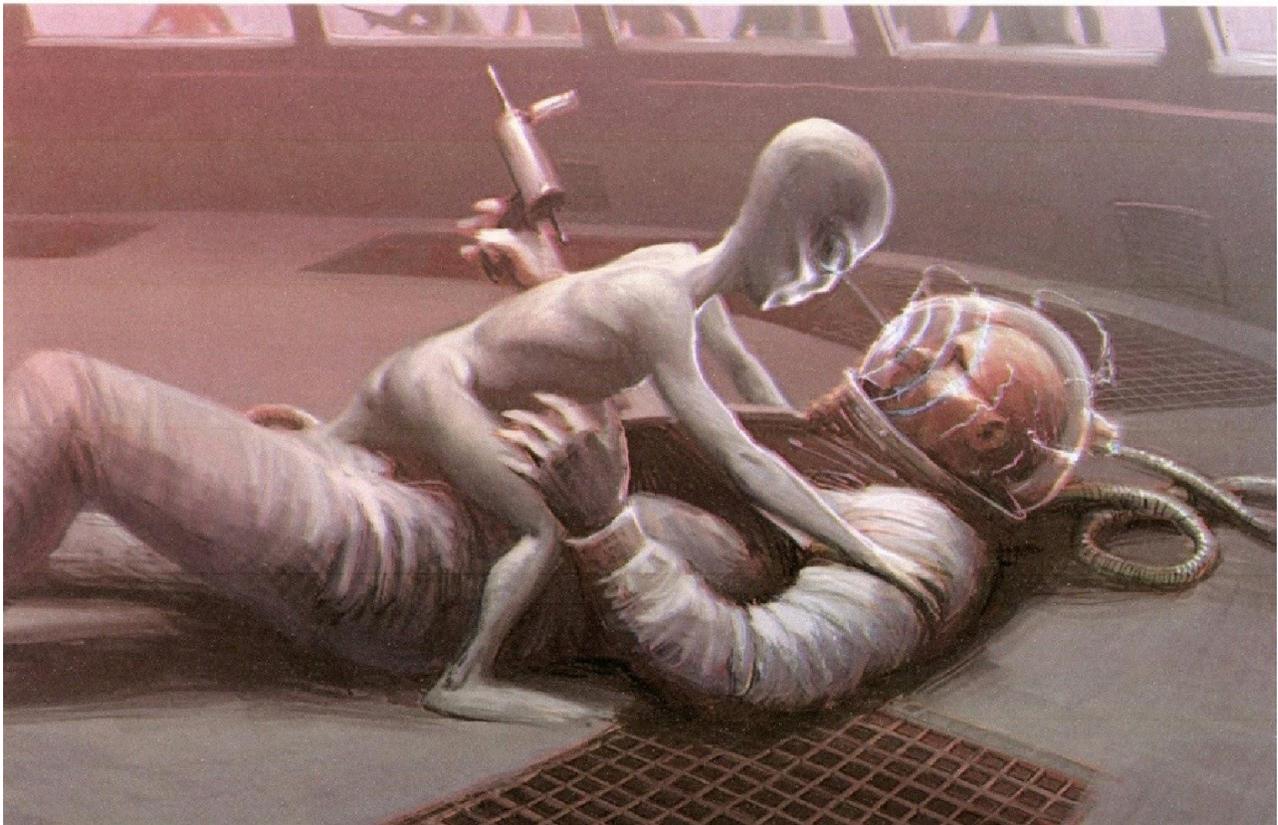

Here's an interview with an individual named Andy Pero. I met Pero personally through Preston Nichols, author of several [books about the Montauk Project](#) which Nichols was personally involved in. A section of our book "PHOENIX UNDEAD: The Montauk Project And Camp Hero Today" featured an autobiographical sketch by Pero, identified by the pseudonym 'Mr. Coffee' in the book.

Famous Protest movie producer and director Desire' Dubounet tells about this in her movie 'Phoenix Project Revisited'. Click the pick below to see the movie.

Here's more recent information from the survivor of horrendous mind control programming directly connected to the infamous Montauk Project operations; activities which also included some of the most advanced experimental work into relativistic and quantum physics which has ever been done, including interdimensional and time travel experiments.

In particular, Pero's comments and insights about what he was involved in at Montauk, such as with the so-called 'Montauk chair,' are extremely interesting and provide additional, fresh insight into this most extraordinary and concept-shattering project and the technology utilized therein.

PROJECT SUPERMAN

An exclusive interview with Andy Pero, survivor of a secret mind control project aimed at creating the super soldier with psionic abilities.

By [Eve Frances Lorgen](#), M.A.

Andy Pero was unwillingly subjected to a mind control program off-shoot the Monarch Project-a trauma based mind control program similar to what Cathy O' Brien describes in her autobiography by Mark Philips, "[Tranceformation of America](#)".

Andy Pero claims to have been created through a combination of genetic manipulation, trauma based mind control and Silva Mind Control training resulting in superhuman feats and psionic abilities.

In addition to this, Mr. Pero alleges to have been unwittingly used in covert assassinations as a Manchurian Candidate and also in missions connected to the Montauk Project, such as time travel.

Andy Pero first went public with his story in August of 1998 as a special guest of Preston Nichols while at a lecture series hosted by Bob Eure of Philadelphia, PA. I was so astounded with Andy's testimony, that I interviewed him personally so that his story could be shared with readers of Unknown Magazine.

For those who are unfamiliar with me, I have worked for ten years investigating and counseling [UFO experiencers, abductees](#) and occasionally survivors of various forms of anomalous trauma, such as ritual abuse and mind control.

Because of my background in alien abductions, paranormal, the occult and anomalous trauma, I recognized Andy as an extraordinary survivor of trauma based mind control, one whose story should not remain hidden.

EL: Andy, where are you from originally and when did your training begin?

AP: I was born in Fallon, Nevada in November of 1969. My father was a Lieutenant Commander at the Fallon Naval Air Station in Nevada at the time. I believe my first experiences began by the time I was two and a half years old.

At five years old my family lived in Munich, Germany and I remember attending two distinct Kindergarten classes, one in German that was located on or near McGraw Army Troop Army Base, and another Kindergarten in English.

I have flashback memories of torture sessions as early as age two where I was subjected to shock treatments with needles inserted in my ears and genitalia. What they (the controllers/handlers) do is use extreme trauma to separate the mind from the body.

They do this to split the mind into several parts that can later be programmed to do things-like superhuman feats. Basically, they disconnect all of the normal human brain impulses, emotions and whatever is normally present, then reprogram in new ones.

They do this to remove all fear, so that when they program in new abilities, you will not have the instinctual, "but I can't, I'm afraid..." response. They program you to do, not think. In essence, they treat and program your mind as if it was a computer.

EL: Who are the people running these secret programs like the Monarch and Montauk Projects, and where do they conduct their activities?

AP: Our own government. One of my handlers-who tried to brainwash me into believing that he was my father--was basically a Nazi. I nicknamed him Adolph because he is very Aryan looking.

After WW2 many Nazi scientists were brought over to the US through our own Intelligence community who formerly worked in mind control research in the concentration camps. I believe they are a remnant of the Nazi party working in conjunction with different branches of the US government and the military.

Much of my training and torture sessions were done right at the University of Rochester, NY. They used to take me to a private room in the attic or top floor of the library.

The big lab where I had most of the programming done to me was at the Rome National Air Base in Rome, NY. I have also been used in the Montauk chair while at Camp Hero, Montauk, L.I. and also in a chair in Atlanta, GA at Dobbins Air Force Base.

The Montauk facility located in Camp Hero, L.I. was reopened by the Department of the Navy and is active to this day.

Basically there are underground bases located across the country. Each one has a different function and specialty. There is a facility in Rochester, NY, Paramus, NJ,

Dobbins Air Force Base in Atlanta, GA, Camp Hero in Montauk, L.I. and many others.

In the Paramus, NJ facility is where they do the sex programming for many of the female agents. For the most part, 99% of them are involuntary sex agents and couriers who were raised in various mind control projects.

EL: What were some of the things the mind control programmers made you do?

AP: I remember my mother enrolling me in a Silva Mind Control course when I was ten. It is a type of self-hypnosis where you learn to go to different levels of your mind to do self-healing, relaxation, visualization, bending spoons with the power of your mind, things like that.

This is also the time when I saw two peculiar military men, who would periodically visit me throughout my childhood, especially sporting events. I did exceptionally well at Silva Mind Control (and sports), so much so that the two military men approached me and said, "I hear you have some very special abilities. Someday you will work for us."

At the time I didn't understand, but later the two men figured prominently in all the training I had up all the way through my college years.

Of course I didn't realize this until my memories came back. I did very well at sports and demonstrated a genius IQ, but I stuttered so badly until I was in my twenties, that everyone just thought I was a dumb jock. The stuttering was due to all the electroshock treatments.

I recall being subjected to electroshock numerous times, being placed in an enclosed water tank and told to breathe underwater. Consequently, I drowned several times and would revive because of my self-created healing pool in my mind.

I learned to create my own mental laboratory through Silva Mind Control, replete with a super powerful healing pool that could heal any injury. I was forced to endure suffering beyond belief to accomplish superhuman feats of strength and survival.

EL: Tell me more about the various superhuman abilities you discovered you had.

AP: The trainers would put me into a trance whereby I'd be told I could jump off a ladder of minimal height. In my mind, I believed that I was only jumping off a footstool or a short ledge.

In actuality, I was progressively led to jump higher and higher heights to the point of successfully jumping off buildings and even out of planes without a parachute.

When under mind control, I could do whatever I was instructed to do as long as I believed them. I would do 200 or more push ups in perfect form, sometimes as long as a half hour straight, or until I was told to stop.

I weight lifted 545 lbs.on a barbell and squats while attending college and much more (500-1500 lb.) while I was under the mind control in the training laboratory not far from Rochester, NY.

In my jumps, it was as if I was falling like a cat, calm and cool with no fear, focusing like a laser only on the landing.

EL: Are there others like yourself who have had similar training and experiences?

AP: I think there are thousands of other children and people who are used and many end up missing. Many die in the process. They are considered expendable. The ones who can survive the most rigorous programming live on to become what are known as the Montauk boys.

Duncan Cameron is such a person. In general, the boys and young men are trained to be couriers, assassins and super soldiers and even psychic killers. The women are mostly used as sex agents. Cathy O' Brien's story is an example.

EL: What kinds of special missions or time travel experiments do you remember taking part in?

AP: There were times I remember being at the small Rochester airport, being picked up in an F-16 fighter plane and ending up in some southwestern desert terrain either for special military training and obstacle courses or assassination missions.

I remember seeing other men in black t-shirts and pants on the same training course at one time. Other times I found myself on some aircraft carrier out at sea. After the mission they would take me back and I would return to college after a couple of days or even hours not remembering what even happened.

All of these missions were done between the time I was 15 years old and until 1988-1992 under deep hypnotic programming with the memories erased, until of some of my memories started to return.

I was also taught to handle various types of guns, loading, cleaning, special characteristics of each model and firing at exact targets repeatedly and perfectly without thinking, just doing.

EL: Tell me more about your involvement in the Montauk Project.

AP: I was involved in an off shoot of the Montauk Project called the Montauk chair. Basically the Montauk chair was developed to give the human and spirit a zero point of reference to facilitate time travel. What the chair essentially does is separate the mind from the body.

The chair operator's thoughts and vibrational energy is picked up by umbrella looking antennas above the chair, sent to a computer, over to a processor, then amplified several hundred times. The information is sent to a network of free energy crystals arranged in a circle.

Then whatever thoughts were amplified, i.e., a time period, a wormhole would open up in the room. The wormhole was as large as 16-18 feet across and even large enough for a truck to go through.

In Camp Hero, Montauk, the location is the cross hairs of the earth's biorhythms and is the point on earth where time travel is most easily accomplished when earth is the point of origin.

My part of the Montauk chair project was to use my focused visualization skills to think of specific time points in history that were assigned to me.

The chair is connected to a sophisticated computer system and thought amplifier, such that when a thought or time period is visualized, the computer simulates a time portal based on that point in time. A series of time portals are done until a library of time periods and portals are accumulated.

The chair is also used to amplify extremely focused thoughts to create three-dimensional materializations based on the operators thoughts. Preston Nichols wrote several books on the Montauk Project and describes an incident in which Duncan Cameron created a monster while in the Montauk chair.

One such time travel mission was called Project Southern Cross. It was used to win WW2 in favor of the allies. What the US government did using time travel was to go back in time to the 1940's to help us win the war. We would deliver communication devices, weapons and technologies made out of 1940's parts.

These would be delivered to the 1940's along with a complete set of drawings on how to make them out of 1940's parts. I took part in several of these deliveries, one time I was sent to Germany and another time to England.

I was not allowed to speak to anyone, other than deliver my parcel and quickly return back to our time. And this was all done under deep hypnotic programming, so I didn't have a lot of freedom to explore. I was gone no longer than two hours for the deliveries.

EL: Have you ever encountered any extraterrestrials or seen any aliens in any of your underground base memories?

AP: From what I understand the Department of the Navy made an agreement with the alien Greys to exchange technologies for human women and children to conduct horrific breeding experiments. This is what is going on right now in an underground base not far from Miami, Florida.

One of my most disturbing memories is being escorted down a hallway in this underground lab and seeing cages of chickenwire fencing with women and children screaming for help. I have seen Grey aliens (the 4-foot tall ones with large black eyes) and also 7-foot tall reptilian beings in some of my experiences.

I have been told that I have many children from alien breeding experiments. I have had abductions with the Greys also.

On one occasion I was introduced to a Reptilian being while in an underground base sometime in 1989-90. At first I saw a 7-foot tall human Aryan looking man. He walks towards me and I notice that his image phases out as if something interfered with an energy field.

He does something to a device on his belt and tells me, "OK, I'll show you." He then pushes some button and then I see his image change into a 7-foot tall lizard like creature who looked like he weighed over 400 lb.

I was introduced to a group of beings that claimed to be a sub group of the Illuminati. They were made up of a group of about 40-50 men, all 6' 2" or taller, white, and of an indeterminate older age, averaging 70, but I suspect much older considering the technology they have access to.

They convened in a boardroom that I believe was in an underground base, perhaps Camp Hero, Montauk. They sat around a large football shaped table made of wood. Each high backed chair had a light at the tip and each sitting had a TV type of screen

and control panel that came out from the table.

There was a huge screen located in the front of the room as well. I have reason to believe that not all of the Illuminati are human, but in actuality are alien beings that appear to look human.

EL: Who or what groups do you think are running the show here in the US or even on Earth? How do the aliens fit into all of this?

AP: It is very complicated, but basically there are four main versions or groups of the New World Order, all with slightly varying agendas. The first group comprises the US and Western Europe (i.e., England, Germany, France and the US).

The second group is Eastern Europe fused with Western Europe and the US. The third group is the countries of the Orient, and the fourth is the Middle Eastern-Saudia Arabian elements and all the oil money.

There are also off world groups (aliens and future human Nazi's types called Zardanians, Reptilians, Greys and Dracos) who also [have a hand in the NWO plans](#). For the time being, the old money groups of Europe and England have teamed up with die hard Nazi factions, Jews and Americans forming the group that has been always been known as the Illuminati and affiliated secret societies.

This large international group controls the media, police force, military, etc. The Illuminati is also part of the NWO plan, which includes members such as [George Bush](#), Prince Charles and other high ranking people.

As for the aliens, I think most of the alien Greys are either under the authority of or in [collaboration with the Reptilians, Dracos and the Illuminati](#), based on some of my experiences and memories that are still returning to me. Some Grey groups are in conflict with the Reptilian/Draco agenda and are doing their own thing (human/grey hybridization programs) so to speak.

Related: [These 13 Illuminati Families Rule the World: The Shadow Forces Behind the NWO](#)

Their agenda gets into heavy spiritual matters having to do with acquiring an emotional body and an ability to ascend to higher dimensions. They are using humans to accomplish this via the [human/alien hybrids](#). Humans have the key in terms of having a threefold essence or unity of being, physical, emotional and spiritual.

Other aliens have lost this unity of being (because of the fall from grace), thus inhibiting them from ascending to higher dimensions, or evolving to higher levels. This gets back to the original Luciferic rebellion, fallen angels and the various conflicts between species.

EL: When did you start remembering your memories? How did or can you break the programming they install?

AP: Some of my first memories surfaced while I was living with a roommate in Atlanta, GA back in 1996. We went to the bowling alley and I saw a large sign in the shape of a man dressed like a Rhino advertising, "Bowl with Rhino balls."

This triggered me into remembering that "Rhino" is the name my Nazi handlers called me. My roommate overheard me say outloud, "I'm Rhino-they called me Rhino." He got excited and immediately asked me, "Where did you hear that?"

He had a grave look of concern on his face and kept questioning me. By his reaction, I realized later that all along he was one of my hired programmers and handlers. The initial triggered memory that surfaced was a flashback of me being electrocuted and shocked and screaming in pain in one of my numerous torture sessions.

Then after that first memory, other memories started leaking through. It was like my mind was dammed up and the subconscious memories were starting to leak through. My mind controller programmers deliberately built a wall around my memories so that I wouldn't remember.

When I started recalling bits and pieces, I'd write notes to myself and hide them. Then I'd find my notes, after I had forgotten everything because my roommate was catching on that I was remembering.

So he would repeatedly put me in trances, erase my memories and I'd forget what I had

just remembered. But then everything came crashing down, because I deliberately hid notes and pretended that I didn't know to my roommate.

I had thought he was a friend and it turned out he was just hired to be another controller and handler to keep me in the program.

I recall that in the past I did not even remember my dreams for ten years. But now things are coming back. I am working on purifying the body to help clear my mind and get my abilities back.

EL: How do they keep control overall these people who have been and are still in mind control projects?

AP: The essence of their control tactics is of splitting the mind at a young age. This entails a process of trauma, torture, degradation and humiliation of the subject. The process is different for each individual, but in essence they go to your subconscious mind and find out what the most personal parts of you are.

Then they essentially use this against you to break you down and rip your mind apart. What happens is this: An individual who possesses special mental abilities is selected at a very young age.

(Very often they are from military families or from multigenerational [Satanic ritual abuse](#) families-EL)

Related: [European Royals Killing Children in Human Hunting Parties, 4 Eyewitnesses Testify](#)

Then they are subjected to various stages of terror and horror to begin to separate them from their own minds. It is a process of progressive dissociation and compartmentalization of the mind and personality.

They control your mind through various complicated hypnosis techniques and commands until they create the perfect [Manchurian Candidate](#). (See The Greenbaum Speech by D.C. Hammond) They program you to do something, then erase the memory.

Basically they program your mind as if it were a computer. Once they install the magic word, all they have to do is say it and you're under their control. This happens from an early age so it is easier to control them if they are conditioned and dissociated into several personalities.

Another method of control is that they send in special people in your lives, handlers and controllers who pose as friends, teachers, "deprogrammers", roommates, lovers, etc. who are actually operatives for the mind control projects.

Some are sleeper operatives who don't even know they are being used to a certain extent. It makes it hard to trust anyone at this point.

EL: Is there anything else you can say about these projects or advice to others who have gone through similar experiences, like how they can be set free from its influence?

AP: For those who want to get out of the influence of the programs of mind control, you must have a strong fighting instinct to do what is right regardless of what others are doing. Your only cage is the one you build for yourself.

You must connect with your highest self to break the evil that is all around us, and not succumb to doing evil just because everyone else is doing it. Retain your fundamental sense of right and wrong.

It all goes back to the basic conflict basic good and evil. It is like the dark forces in power of the planet at this time are trying to cheat their way into heaven or higher dimensions.
