

How to Get the Answers to your Questions

The Budapest Home Office (**BHO**) is the only place to get real answers to your questions regarding Indigo, SCIO, Indigo Plus, Pro, Eductor and the technology. You can contact us at the following site:

If anyone says to circumvent BHO they are giving you bad advice. How could anyone hope to go around the developer of the technology? Only the head office, owner operators, developer, software designer, registration lawyer, medical consultant, official bio-engineer, and head validation officer can truly help you. If you are misinformed, fearful or have any issue with BHO get over it for only they can help you.

We have made a special Facebook chat site to get your questions answered and find the professional help you need. In the Bible Mathew 7:7 it says “***Ask and it Shall be Revealed Unto You***”. So we called our answer site “**Ask and it Shall be Revealed Unto You**” here is the link where we professionally answer your questions.

We do not allow libel, criminalities, or vague unsubstantiated accusations. We will dig with professional lawyers, doctors, scientists to get you help, support and answers to your questions and relief of your fears. Here is the forum you can trust in.

The Instant Become a Therapist did not work for many. Many of them could not read a book or watch a training video. This is still a class 2 medical device restricted for use to those with proper credentials. Our new quality Education thru IMUNE is advancing well.

People are asking about Home Use. And the Home Use certificate and training is needed for this.

If you are doing Subspace Prayer work, then you will not need a biofeedback cred but a QESP therapist certificate.
