Damages to the Environment Beyond Belief

BP’s Big Oil Spill Settlement Includes Several Criminal Charges

Pay Billions after making Trillions in Damages???
BP gives Florida $25 million for Gulf Tourism Promotion...

Come on down!!

BP pays 25 mil for the Damages to the Environment

25 million for new Towels ???

Amnesty International
Click here to see how many oils spills are not shown in the Ultra-Rich controlled Media

OIL SPILLS
Corexit

Up to 95% of gulf oil sunk to bottom by toxic Corexit, where it remains today. Corexit makes crude oil 11 times more lethal.

A military operation, sprayed by unmarked aircraft, Corexit is stored at military bases.

Sudden surge in gulf cancers, people are bleeding from every orifice. Dolphins, turtles, and sea life internally bleeding, 40 million people poisoned.

Corexit is a cruel, slow-kill genocidal depopulation Agenda 21 tool, aimed at people, their water supply, food, and land.

Application of dispersant 1-2 days 4 weeks

Initial dispersion
Bacterial colonization of dispersant and dispersed oil droplets
Bacterial degradation of oil and dispersant
Colonization of bacterial aggregates by protozoans and nematodes
It's a hybrid. Runs on oil addiction and govt handouts.

Over the barrel

Why don't you just lie down!

I'll trade you my gasoline profits for your gasoline taxes...

Big Oil

Big Government

Arab Oil
Big Oil is a Danger to the Faceless Ultra Rich Illuminati

The War Machine

The War Machine has destroyed lives and property of millions. The War Machine feeds Fear, Hate, Homophobia, and Xenophobia to excite young men to fight and die all in the name of someone else’s greed.

The ideal of right livelihood, where no one should be selling drugs, weapons, or humans have been discarded for greed. For the human race to progress we must follow the lead of the Angel and return to the form of Right Livelihood.

The false belief that we need the petroleum from deep in the ground needs to be released. We can get all of our energy needs from plants, save the planet by reducing Carbon while generating Oxygen, and return to a green farming economy. But the oil companies will have to give up their greed.

The profits made by the Oil and Weapon Machine is monstrous, the greed gargantuan.

The Angel must find a way to defeat this Greed.

The Future of the Planet depends on the Release of the GREED, ANGER, HATRED, FEAR and the DELUSIONS OF FALSE BELIEFS...
Why should we dig for oil when we can grow it. Digging or drilling burns oxygen and makes CO2. Growing oil takes ion CO2 and makes Oxygen. Drilled oil is very dirty and needs expensive refining. Grown oil is cheaper, cleaner, adds to the Oxygen while cleaning away the CO2 in the air. Growing our oil is not the way of the future, it is possible NOW.

The only reason not to grow oil is that the drillers and expensive refineries owned by the Ultra-Rich do not want to lose money. The Ultra-Rich own the media and they control the news media. We do not see all the stories, usually only the big ones that are difficult to ignore.

The news media dose not want to anger its master (Ultra-Rich)
Humans have energy resources such as solar power, hydroelectricity, biofuels, wind power, and geothermal energy. And they kill each other over oil?

It is foolish to think that technology will solve the problems that technology created, we must return to a natural reverence and a modern farm culture.

Our Society Needs to Return to Nature
If you want to see more about how we can Return to the Garden of Paradise by moving our culture from a Petrochemical, SINthetic Ultra-Rich Serving Greed and Profit Cartel to a High Tech Agro-Organic Culture then click on the next picture.
Problem
The World's Problem is too much Carbon dioxide + too little Oxygen.

Solution
The Solution is Plants

According to Quantum Electro-Dynamics, plants take CO₂ and convert it to O₂. We must encourage all and all plants, stop wasting good farm land anywhere, use our deserts to develop large desalination sites, use the sun to desalinate sea water and use the water to grow plants HYDROPONICALLY.

In the Garden of Eden the Serpent tempted the woman and the man. They gained knowledge, but lost innocence.

Mankind has developed many false beliefs based on the promise of this knowledge. These false beliefs have jeopardized the planet. False beliefs such as synthetic drugs and foods, that petroleum should be our fuel, allopathic medicine, tobacco, dextrose sugar, meat as a staple food, unequal education to keep minorities down, the survival of the fittest, and that the media is real and unbiased. In fact these false beliefs make money and greed become uncontrolable. Money is a drug.

Now at the time of change, an Angel of both sexes will tempt the serpent. The serpent is the base lizard brain in all humans. This lizard brain is the source of anger, hate, aggression, greed, and the delusion and clinging to false beliefs that make money but threaten the very existence of human life on this planet. The Angel will defeat the greed and delusion of the lizard brain and lead humanity to a thousand years of peace harmony, freedom from excess degenerative disease, excess greed, discrimination, and inequality.

The Angel will return us to the Garden of Eden.

1. We must stop the over consumption of meat and switch to the more healthy fruits and vegetables. Wake up people's minds.
2. Switch from fossil fuel to Bio-fuels and Bio-mass fuels.
3. Limit petro-synthetic chemical production and use organic chemicals from plants such as sugar or herbs.
4. Use dextrose sugar for Batteries, and fructose sugar for foods.
5. Use more Natural Medicine by changing the law to not just protect Patents but to protect Natural Recipes and Natural Made Medicines.
6. Stop the Danger of GMOs to destroy the balance
Two of the major problems of our world today are

1. Excess green house gases (like Carbon Dioxide, Methane, and Synthetic compounds) the deep ground Petroleum makes excess pollution, and a lack of good available oxygen. Cows and farm animals take in Oxygen and produce excess Methane and Carbon Dioxide.

2. Bad diet and life style of excess meat, synthetics foods and medicines, dextrose sugar, cooked oil trans fatty acids, lack of vegetables, tobacco, stress, lack of exercise and lack of good air (as the oxygen level decreases) all producing excess DEGENERATIVE DISEASE.

These problems have a simple quick solution from the Angel. The switch to increase plants and thus a more farming society and economy is the answer. Plants take in Carbon Dioxide and give off oxygen. Eating more vegetables drastically reduces degenerative disease. We can easily now use bio fuels and bio mass to produce a much cleaner gasoline from plants.

This would quickly solve many problems, But this would effect the greed of Big Sugar, Big Oil, Big Pharmaceuticals, and others. Greed and delusion of false beliefs stop us from Healing the Planet and Ourselves.

THE ANGEL MUST TEMPT THE SMALL PETTY GREEDY MINDS TO RELEASE THEIR FALSE BELIEFS. RELEASE THEIR AVARICE. RELEASE THEIR ANGER. EAT OF THE FRUIT OF KNOWLEDGE AND SEE THAT WE ALL SHARE AIR

THE ANGEL CAN LEAD US TO RETURN TO THE GARDEN OF EDEN FOR A THOUSAND YEARS

PEOPLE COMPLAIN ABOUT CHANGING FOOD INTAKE BECAUSE OF ADDICTION AND HABIT. BAD FOODS CAN BE ADDICTIVE. WHEN PEOPLE ARE GIVEN MORE HEALTHY DIETS THEY COMPLAIN AT FIRST, THEN THEY START TO ACCLIMATE THEN THEY LIKE BEING MORE HEALTHY AND HAVING MORE ENERGY. THEN THEY CANNOT IMAGINE EATING THE OLD UNHEALTHY FOODS AND FINALLY THEY DISLIKE THE OLD UNHEALTHY SLOW POISON FOODS.

YOU JUST NEED TO START EATING HEALTHY FOR YOUR HEALTH AND THE HEALTH OF THE PLANET.

BREAK THE ADDICTION TO SLOW POISON FOODS.
